## Virgil Abloh™ “Figures of Speech”© exhibition font designed by Simon Brown &&&

This week Virgil Abloh launched “Church & State” his online popup Art Shop. Hosted within the framework of his site Canary—Yellow. Selling “Figures of Speech” (“FOS”) merchandise previously only available at the Museum of Contemporary Art, Chicago (MCA). Including exclusive new artist collaborations from the Atlanta version of his “FOS” exhibition, now on show at The High Museum (HIGH).

Ranging from the special edition “FOS / Artwork” exhibition catalog, the Juergen Teller and Virgil Abloh book, and a capsule collection with Cali Dewitt that showcases the “FOS” font designed by Simon Brown.
