Illustration Produced By &&& Creative For Book Publisher Polity Books

Educational reading matter designed to be visually engaging

Book cover design and illustration that aims to inspire you to read more from leading international publisher Polity Press.

We work hand-in-hand with Polity press, a leading international publisher, designing and illustrating book covers that encapsulate the essence of its Authors original, cutting-edge work in social sciences and humanities. Developing appropriate design aesthetics for textbooks and course books for students and scholars in further and higher education.

"Simon and the team at &&& never fail to deliver designs that get everyone at Polity talking. They can turn their hand to any request and we're mighty glad we found them."

Clare Ansell, Senior Production Editor, Polity Press
